        Teacher --> UC1(Create/Upload lessons, quizzes, dictations)
        Teacher --> UC2(Adapt by student level)
        Teacher --> UC3(Track assessments using custom scales)
        Teacher --> UC4(Use student-created activity banks)
        Teacher --> UC5(View student progress)
        Teacher --> UC6(Receive alerts for struggling students)
        Teacher --> UC7(Get notifications on reclassification readiness)
        Teacher --> UC8(Receive positive milestone notifications via SMS/Email)

        Parent --> UC8

        User --> UC9(Logout)
        User --> UC10(Login)
        User --> UC11(Access completed lessons/stories via virtual classroom)

        Student --> UC12(Receive gamified rewards)
        Student --> UC13(Get suggested progression paths)
        Student --> UC14(Play offline learning games)
        Student --> UC15(Do AI image-description tasks with real-time feedback)
        Student --> UC16(View multimodal content)
        Student --> UC17(Perform interactive activities)
        Student --> UC18(Use gamified tools)
        Student --> UC19(Use visual timer for timed tasks)

        Admin --> UC20(Manage user roles and profiles)
        Admin --> UC21(Configure activity timing and difficulty)
        Admin --> UC22(Retain data for graduated students up to twelfth grade)

        UC2 --> UC23(Adapt lessons by usage patterns)
        UC8 --> UC6
        UC9 --> UC10

        UC23 -.-> UC2
        UC6 -.-> UC8
